

St. Mary's

The St. Mary's is a 3 bedroom 2 bath home with 1,500 square feet of living space and unfinished space in the attic for you or your builder to finish as desired. If you choose the finish the upper area on site, this will add an additional 884 square feet of space.

The square footage and other dimensions on our floor plans are approximate. Renderings are not intended to be an accurate representation of the home and are often shown with optional features and/or third-party additions that can be added at additional cost if available in your region or situation.
